SIR,

The Commander-in-Chief of the Army in the East having published a General Order on the 3rd ultimo directing the temporary suspension of the Savings Bank Regulations, and the transmission of all Savings Bank Documents to the Officers commanding the Depôts at home, I am directed to acquaint you that from the 1st April, 1855, the Savings Bank Accounts of the Service Companies and Depôt are to form one consolidated account, for the due preparation of which you will be allowed the assistance of a Savings Bank Clerk.

SIR,

War Office, 30th March, 1855.

The subject of Marking Accoutrements and Appointments having been under the consideration of the Secretary-at-War, I am directed to acquaint you that a charge, not exceeding one half-penny for each article marked, will be admitted in the Regimental Accounts, if supported by the Receipt of the Marker and the Certificate of the Commanding Officer that the same is correct.

I have the honor to be, Sir,

To Officers commanding

Your obedient Servant,

No. 644.

GENERAL ORDER.

Horse Guards, 15th March, 1855.

HER MAJESTY has been pleased to command that the practice, which prevailed in former wars, of withholding Promotion from Officers taken Prisoners of War shall be discontinued as regards the Subaltern Officers of the Army; and, as regards Officers of the rank of Captain who, if not made Prisoners, would by their regimental standing succeed to the rank of Major, or if Majors would succeed to Lieut.-Colonelcies,—that the loss of promotion, consequent upon being captured by the enemy, should subsequently be made up to them, after their exchange or release, so far as may be practicable, by their being advanced to the substantive rank which they would have attained had they not been taken Prisoners,—and by the ante-date of their commissions.

Her Majesty has further been pleased to command, with a view to prevent any Officer who may have been taken prisoner by his own neglect, or any other unofficer-like conduct, obtaining any of the advantages above enumerated, that the following regulation shall be established:—

Whenever an officer shall have been made a Prisoner of War, a Court of Enquiry shall as soon as possible be assembled, by order of the General Officer Commanding the Forces, to investigate the circumstances under which he became a Prisoner, and—having sifted the facts as far as may be in their power—to make a report thereon, and to state their opinion, whether his capture is to be attributed to the chance of war to which he was exposed, or whether it may have occurred from any unofficer-like conduct on his part, and that the following declaration be made by the president and members of the Court of Enquiry previously to commencing the proceedings:—

“I, A. B., do declare upon my honor, that I will duly and impartially enquire into and give my opinion as to the circumstances under which Captain C. D. became a Prisoner of War, according to the true spirit and meaning of Her Majesty’s orders and regulations on this head; and I further declare, upon my honor, that I will not on any account, or at any time, disclose or discover my own vote or opinion, or that of any particular member of the board, unless required to do so by competent authority.”

The proceedings of the Court are to be transmitted by the General Officer in command of the Forces to the General Commanding-in-Chief.

By command of the Right Honorable

GENERAL VISCOUNT HARDINGE,

Commanding-in-Chief,

G. A. WETHERALL,

Adjutant-General.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when his Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have been actually employed in the Service of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's license and permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the Service for which it is proposed to confer the Order has been performed during War, the Notification required by the 2nd Regulation must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two years of the date of such Service."

8th. "When a British Subject has received the Royal Permission to accept a Foreign Order he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by Increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred."

Foreign Office, August 23, 1843.

(Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by her predecessors, Their Majesties King George IV. and King William IV., on whose Heads the Crowns of Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for Services rendered according to the purport of the 8th Clause of the Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to Services rendered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846.

(Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN MEDALS.

The Queen has been pleased to direct that:

1st. "APPLICATION for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality."

2nd. "Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn."

Foreign Office, January 24, 1851.

(Signed) PALMERSTON.

MEMORANDA, CIRCULARS, &c.

MEMORANDUM.

LORD PANMURE has consented to the temporary employment of Capt. George Templar Graham, late of the Bengal Artillery, as Military Agent in England to the Turkish Contingent.

WAR DEPARTMENT, 28th April, 1855.

Sir John Kirkland has been appointed Agent to the British Foreign Legion.

For the guidance of Commanding Officers in the preparation of Monthly Returns of Court Martial.

CIRCULAR.

MEMORANDUM.

Horse Guards, 10th April, 1855.

In cases where soldiers are tried for Desertion, and the Court abstain from sentencing them to be marked with the letter D, on account of their youth or previous good conduct, or in consequence of their being already marked, the circumstance should be noticed in the column of remarks.

By command,

G. A. WETHERALL,

Adjutant-General.

Militia.

CIRCULAR.

Miscellaneous.

MEMORANDUM.

Horse Guards, 24th April, 1855.

1. Much inconvenience being caused in the military department by the inaccuracies which are observed in the monthly and other Returns furnished by the embodied Militia, the General Commanding-in-Chief finds it necessary to call the attention of Commanding Officers to the subject, and to request that they will take care to ascertain the correctness of all returns and other documents before they verify the same by their signature.

2. Her Majesty's Regulations and Orders for the Army contain full instructions for making out the Regimental Returns, and if these instructions are attended to, it is conceived that little difficulty would be felt in their preparation.

3. In these documents, however, as received from the Militia, it frequently happens that the numbers effective on the first of one month are not correctly brought forward in the succeeding Return, by which the proof of the General Returns prepared at Head Quarters is rendered impossible. Another very general error is, that the alterations in the number of effectives are not fully accounted for in the columns of Increase and Decrease;—and that

in consequence of men who are borne on the strength in some of the columns being left out in others, the total number of Sergeants, Drummers and Rank and File is not made to correspond, as it ought to do, in all parts of the Return.

4. There is also reason to believe that the casualties are not unfrequently entered in the wrong columns;—for instance, that men who have been absent without leave, and are authorized to be struck off the strength, are reported as “*discharged*” instead of “*deserted*,” while others who have extended their services in the regular Army are not always accounted for as directed by the Circular of the 25th November last, as “*transfers given to the Line*.”

5. The “*Memoranda*,” also, on the second page of the return are, for the most part, altogether lost sight of:—In them should be inserted, under the proper head, remarks to account for any extraordinary number of Discharges, Desertions, Transfers, &c., and such other observations that may be necessary for the elucidation of any parts of the Return which may require explanation.

6. The General Commanding-in-Chief desires further to point out to Commanding Officers the necessity of the utmost attention being paid to the accuracy as well as the regular transmission of the “*Returns of Volunteers finally approved*,” which are ordered by the Circular of the 14th December last to be transmitted to the Adjutant General every Saturday.

7. When no volunteers have been finally approved of during the week, this return is always to be sent in *blank*;—the form also, as prescribed by the said Circular, is to be strictly adhered to, and neither in these, nor in the Monthly Returns, are any to be accounted for as Volunteers to the Line until regular reports of their final approval have been received.

8. It is obvious that confusion and mistakes must be occasioned by having to retake on the strength men whose final approval is for any reason delayed or withheld.

9. These weekly Returns of Volunteers are always referred to in disposing of applications for the appointment of Officers of the Militia to Commissions in the Line, but great discrepancies are found to exist in the numbers reported to the Adjutant General, and the numbers on which the recommendations for such appointments to the Line are founded.

10. Unnecessary trouble and correspondence are occasioned in the Military departments by the necessity of calling for explanations of these discrepancies, and the interests of individuals suffer from the delay.

11. It is also necessary that all Returns and other documents transmitted to Head Quarters should bear the signature of the *Commanding Officer*, not of the Adjutant; that they should always be prepared and sent off on the prescribed day; and that the assistants in the orderly room should be strictly enjoined to take care that they are properly addressed to the department for which they are intended.

12. Returns for the War Office and other departments are constantly misdirected to the Adjutant General, and vice versa, by which delay is created, and trouble occasioned by the necessity of having to write for Returns which, though perhaps correctly made up and despatched at the proper period, have been sent through the wrong channel.

13. Without entering into further detail on the subject, the Adjutant General is directed to add the expression of the General Commanding-in-

Chief's hope, that Commanding Officers will give their own personal superintendence to a matter by which, if properly attended to by all, the carrying out of the public service would be greatly facilitated at a period of unusual pressure.

By command,

G. A. WETHERALL.

P.S.—The *County Title* is always to be inserted in the heading of all Militia Returns, and the Regimental number is never to be made use of by itself.

CIRCULAR.

MEMORANDUM.

Horse Guards, 25th April, 1855.

THE General Commanding-in-Chief desires that, until the receipt of a fresh supply of printed forms from the War Office, a Slip, showing the Ages of the Non-Commissioned Officers and Men, may be appended to the Monthly Returns of all embodied Regiments of Militia, in the following form, viz.:—

AGES OF THE MEN.

	S.	D.	C.	Privates.	Total.
Under 18 Years					
From 18 to 25 Years					
„ 25 to 30 „					
„ 30 to 40 „					
„ 40 to 50 „					
Upwards of 50					

By command,

G. A. WETHERALL.

Adjutant-General.

SIR,

War Office, 8th May, 1855.

The Secretary at War having approved of a division of the duties of the Paymastership of the Depot Battalion at Winchester between Paymasters M'Kenzie and Cubitt, I am directed to acquaint you that all business relating to 1st Battalion, 1st Foot, 7th and 23rd Regiments will accordingly be transacted by the first-named Paymaster, and that the second will have in his payment the Depôts of 46th, 71st and 88th Regiments.

In issuing Routes you will accordingly be pleased to be guided by this division of the Depot Battalion in question, and include the parties of the first-mentioned Regiments separately from those in the second Division.

I have the honor to be, Sir,

Your most obedient Servant,

The Inspecting Field Officer.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Gaelic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals, which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

Foreign Office, May 10, 1855.

The privilege of selling out of the Army, retaining the Name of the Officer in the Army List in *Italics*, having, by Her Majesty's Royal Warrant of the 6th of October, 1854, been granted with the permission of the Commander-in-Chief in each case to all Field Officers, Her Majesty has now been graciously pleased to approve of this privilege being extended to all Field Officers who may have sold out of the Army in former years; and with the view to prevent any inconvenience which might arise from the grant of this privilege, the following regulation has been approved by Her Majesty:—

The application that the Field Officer's name be retained in the Army List in *italics* is to be addressed to the General Commanding-in-Chief, and his sanction duly obtained in each case.

All Field Officers whose names are thus allowed to be retained in the Army List, whether they may have sold out since or previously to the issuing of Her Majesty's Royal Warrant of the 6th October, 1854, shall send a Certificate to Her Majesty's Secretary-at-War of their being alive on the 1st January and the 1st July of each year.

If such Certificate due on the 1st January be not received at the War Office by the 1st April, and that due on the 1st July by the 1st October, it will be concluded that the Officer is deceased, and his name will be removed from the Army List.

[See *post*, page 203.]

MEMORANDA, CIRCULARS, &c.*Pensions and Allowances to Officers of the Land Forces, limited to Wounds and Injuries received in Action.*

1.—If an Officer shall receive a Wound in Action, which shall occasion the loss of an Eye, or a Limb, or the total use of a Limb, or shall receive bodily injury fully equal to the loss of a Limb, he may be eligible to receive a Gratuity in Money of One Year's Full Pay of the Regimental Rank or Staff Appointment held by him at the time he was wounded.

2.—If an Officer shall be wounded in Action, and it shall appear upon an inspection made of him by a Board of Army Medical Officers assembled by order of the Secretary at War, that such Officer has, in consequence of his Wound, lost a Limb or an Eye, or has totally lost the use of a Limb, or that he has sustained a severe Injury in Action fully equal in every respect to the loss of a Limb, he may be recommended to Her Majesty for a Pension at the rate fixed in the annexed Scale for the Rank held by him when he was wounded, and commencing One Year after the Wound was received; the continuance of which shall depend upon subsequent examinations before a Military Medical Board.

3.—If the Officer shall have lost more than one Limb or Eye, he may be recommended for a Pension for each Limb or Eye so lost in Action.

4.—If the Wound received by an Officer in Action shall be so severe in its permanent effects as to be nearly equal, but not fully equal, to the loss of a Limb, such Officer may be recommended for a gratuity of Eighteen Months' Full Pay of his Regimental Rank, or Staff Appointment, held by him when wounded; in which case no Pension shall at any subsequent time be granted to him under this Regulation.

5.—If any Wound received in Action shall be certified to be severe and dangerous, but in its permanent effects not equal to the loss of a Limb, the Officer receiving such Wound may, in consideration of the expense attending the cure thereof, receive a gratuity, varying, according to the nature of the case, from Three to Twelve Months' Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was wounded.

6.—If an Officer shall have held a Pension for a Wound received in Action for a Term of Five years, and shall have been examined, twice at the least, before a Board of Army Medical Officers, he may be recommended for the permanent continuance of such Pension; but if the Officer before the expiration of the term of Five years shall have so far recovered that his Wound or Injury is not fully equal to the loss of a Limb, then he shall cease to receive such Pension, and shall have a gratuity of Full Pay according to the degree of his Injury, as laid down in Article 5.

7.—If within the period of Five Years after a Wound has been received, an Officer does not apply for the Pension, or, applying for it, the Wound shall not have been proved to be fully and permanently equal to the loss of

a Limb, such Officer's claim to a Pension shall not at any subsequent period be entertained.

8.—No gratuity or Allowance for any Wound shall be granted after the lapse of Five Years from the time the Wound was received.

9.—No Pension for the loss of One Eye from a Wound received in Action shall be granted unless the actual loss of Vision shall have occurred within Five Years after the Wound was received, and be solely attributable to such Wound.

10.—As a general rule, the Pension shall be granted according to Regimental Rank; but in cases in which Officers with Brevet Rank shall have been employed at the time they were wounded in discharge of duties superior to those attached to their Regimental Commissions, the Pensions shall be given according to the Brevet Rank.

11.—These Pensions, being granted as a compensation for the permanent disability sustained by Wounds received in Action, may be held together with any other Pay and allowances to which an Officer may be entitled, without any deduction on account thereof.

CIRCULAR.

Horse Guards, 26th May, 1855.

The General Commanding-in-Chief desires to call the particular attention of Officers Commanding to the mode of framing charges against offenders, and which it is desirable should not contain the non-essential minutiae, which prevail in too many instances, sometimes in the form of long and obsolete preambles.

The precise hour of the commission of an offence should never be inserted in a charge, unless the time be in the essence of the offence itself, and that its insertion be essential to the Prisoner for his defence, as, for instance, in charges for "being asleep on, or quitting post," or for "being drunk on sentry."

In charges for "absence without leave," it is advisable to frame them in the words of the 50th Article of War, viz., for "being absent without leave from his Commanding Officer," which constitutes the essence of the offence.

The General Commanding-in-Chief's attention having been called to the expense caused by sending Soldiers belonging to the embodied Militia to and from County Gaols, Viscount Hardinge recommends, whenever Regiments are stationed in billets, or at places where there are no cells for the confinement of offenders, that Commanding Officers, instead of committing men as Prisoners to County Gaols, should, except in urgent cases, have re-

course to the minor discretionary Punishments authorized by the Regulations of the Service for the repression of crime.

To facilitate as much as possible the discharge to Pension and removal to their homes of Invalids arriving from the Seat of War, the General Commanding-in-Chief desires, with reference to the Circular of the 24th April, 1854, that all Discharge Documents of such Men as may from time to time be notified by the Commandant of the Invalid Dépôt at Chatham to the Commanding Officers of Dépôts, may be immediately prepared so far as they can be from the Regimental Registers and other Documents in possession of the respective Dépôts and sent to the Commandant, by whom the several Documents will be completed and Accounts settled through the Staff Officers of Pensioners, according to instructions issued to them.

The particular attention of Commanding Officers of Regiments in the Field is also directed to the Circular above-mentioned, in order to the Instructions relative to the periodical notification to the Regimental Dépôts, of "all casualties, such as loss of rank by sentence of Court Martial, loss of Service by absence without leave, or Imprisonment, &c." being strictly and punctually carried out.

SIR,

War Office, 25th May, 1855.

In consequence of a Minute of the Lords Commissioners of Her Majesty's Treasury, it has become necessary for the Monthly Estimates to be forwarded at earlier dates than those prescribed by the existing regulations at page 19 of the Explanatory Directions, dated 1st July, 1848, I am therefore instructed to request, that for Districts and Depôt Battalions in Ireland, the Estimates may be punctually transmitted to this Department so as to arrive on or before the 3rd of the Month, and for those in Great Britain on or before the 8th of the Month preceding that for which the Estimate shall be prepared.

Much inconvenience having arisen through the little attention paid to Articles 53 and 54 of the Instructions above quoted, regulating the despatch of Estimates, and from Paymasters and others frequently drawing without advising this Office in any manner of their having done so, I am to point out the necessity of every draft on the Public Service being duly estimated for: whenever practicable, an interval of three days at least should intervene between the date on which the Estimate is sent to this Office and that of the Bill for the amount thereof.

I have the honor to be, Sir,

To the Paymaster of —.

Your most obedient Servant,

B. HAWES.

Sir,

War Office, 25th May, 1855.

In consequence of a Minute of the Lords Commissioners of Her Majesty's Treasury, it has become necessary for the Regimental Monthly Estimates to be forwarded at earlier dates than those prescribed by the existing regulations at page 19 of the Explanatory Directions, dated 1st July, 1848, I am therefore instructed to request that for Regiments stationed in Ireland the Estimate may be punctually transmitted to this department so as to arrive on or before the 3rd of the month, and for Regiments stationed in Great Britain on or before the 8th of the month preceding that for which the Estimate shall be prepared.

Much inconvenience having arisen through the little attention paid to Articles 53 and 54 of the instructions above quoted regulating the Despatch of Estimates, and from Paymasters and others frequently drawing without advising this Office in any manner of their having done so, I am to point out the necessity of every draft on the Public Service being duly estimated for: whenever practicable, an interval of three days at least should intervene between the date on which the Estimate is sent to this Office and that of the Bill for the amount thereof.

I have further to request that the Rules laid down on the Explanatory Directions and Circular No. 1009, respecting the Quarterly Statement of Pay of Officers, and the Extract from the Pay List, may be strictly complied with, as any irregularity in their despatch leads to much inconvenience and embarrassment.

I have the honor to be, Sir,

Your most obedient Servant,

To the Officer commanding
the Regiment of —.

MEMORANDUM.

Horse Guards, 28th May, 1855.

Officers commanding Regiments and Depôts are informed, that the General Commanding-in-Chief will entertain their recommendations in regard to the restoration of Men's services which have been forfeited by Desertion, or by sentence of Court Martial for "Disgraceful Conduct," upon the ground of a period of unremitting good conduct, combined with good, faithful or gallant service in the Field.

His Lordship cannot, however, recommend such cases for the gracious consideration of her Majesty, unless the period of unremitting good conduct shall amount to half the time required (upon such ground *alone*) by the Queen's Regulations, according to the number of Convictions, and that the good, faithful or gallant service in the Field shall have been of that constant and sustained character which shall entitle the Soldier, in the estimation of his Commanding Officer, to be brought under the notice of the General Commanding-in-Chief for restoration of his forfeited services within half the period at present prescribed by the Queen's Regulations.

Any specific act of valour in the Field, reflecting honour on the Regiment and on the individual (*when combined with the period of unremitting good conduct herein laid down*), may be recommended by Commanding Officers

to the consideration of the General Commanding-in-Chief, for submission to her Majesty, for the restoration of forfeited services.

G. A. WETHERALL,
Adjutant-General.

1.

SIR,

War Office, 1856.

I am directed to acquaint you, that, with a view to secure the regular payment of the Pensioners from the Line, &c., now serving, or who may hereafter serve in the several Regiments of Militia, and also to prevent the necessity of their requesting leave to attend upon the Staff Officers of Pensioners to obtain their Pension as it becomes due, it has been decided that they shall receive it from you, and that you shall enter the same under a separate head in your Pay List, attaching to each Pay List a separate certified statement of such Payments. If any such Men should be desirous that their Pensions, or a portion thereof, be paid to their wives, or for the support of their families, you will retain the same in your hands, credit the amount in your Pay List, and notify their wishes to this Office, when the necessary directions will be forwarded to the Staff Officer of Pensioners of the district in which they reside. If, on the other hand, any Pensioner allow his wife or family to become chargeable to a parish or union, the sum claimed for their support will also be paid by the Staff Officer of Pensioners, and you will be required to stop the amount from the Pension, and account for it in your Pay List, I therefore enclose authorities for the payment of the several Men named in the Margin, who, it appears, are now serving in the ——— Militia, and have to request that you will pay them their respective Pensions from the date which they have received it from the Staff Officer of Pensioners of the ——— District, as shown in those documents, which you will attach to your Pay List as your authority for such payments; and you will observe that Out Pensioners of Chelsea Hospital, and the Pensioners of the East India Company, are entitled to their Pension quarterly in advance, from the 1st January, 1st April, 1st July and 1st October, but that Pensioners from the Royal Marines are paid in arrears.

Whenever a Pensioner is discharged from the Militia, you will notify the same to this Office, stating also the date to which he has been paid his Pension by you, and the place at which he wishes to receive his Pension in future, in order that the necessary directions may be forwarded to the Staff Officer of Pensioners of the District in which such place is included; and should a Pensioner die while serving, you will report the same specially by letter to this Office.

I have the honor to be, Sir,

Your most obedient Servant,

The Paymaster — Militia.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Devotion of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

MEMORANDA, CIRCULARS, &c.

IMPLEMENTS.

CIRCULAR, No. 1,873.

MEMORANDUM.

Horse Guards, 29th May, 1855.

The General Commanding-in-Chief, having approved of a nipple-wrench, containing a spring-cramp, ball drawer, turn-screw and nipple pricker, with the addition of a screw ball-drawer and drift,—is pleased to direct that one shall be supplied for every ten rifles in a regiment, and be placed in the custody of such steady man, or non-commissioned officer, as the Commanding Officer may select. At one end of the nipple-wrench is a cavity for holding a small quantity of neat's foot oil, which will be provided by the Officer commanding the company.

All other soldiers will, henceforth, be provided with a wrench of a simpler construction, without the screw ball-drawer, and the means of removing the mainspring; but both implements are furnished with the double-word, which is so constructed as to be applied as a handle to the new pattern rammer which has been approved, by which greater facility will be afforded to the soldier in cleaning the barrel of his firelock.

As soon as a supply of the implements can be got ready, arrangements will be made with the Ordnance for furnishing them both to the Army in the field, and to regiments on home or colonial service, in proportion to the number of rifled muskets in possession of each, and without the necessity of separate requisitions for Commanding Officers.

By Command,

G. A. WETHERALL,

Adjutant-General

VICTORIA R.

WHEREAS it has been found expedient, in altering and revising the system which regulates the supply of Clothing, Accoutrements and Appointments to our Army, to abolish the Consolidated Board of General Officers, Our will and pleasure, therefore, is, that the said Board be hereby and henceforth abolished: And We are pleased to direct, that the duties connected with the Clothing of Our Army, which have been performed by the said Consolidated Board of General Officers, shall in future be performed by the Director General of Army Clothing, reserving to Ourselves the right of determining from time to time the patterns of the said Clothing, Accoutrements and Equipments: And We further direct, that all records and documents relating to the Clothing of Our Army, which are in the custody of the said Consolidated Board of General Officers, be given over to the Director General of Army Clothing.

Given at Our Court at St. James's, this Twenty-first day of June, 1855, in the Eighteenth year of Our reign.

By Her Majesty's command,

11.

War Office, 14th July, 1855.

WITH reference to the Military Furlough Regulations promulgated by a General Order in India dated the 17th November, 1854, under which Officers of Her Majesty's Army serving in that country, when returning to Europe in consequence of certified sickness, may, under certain limitations, receive Indian pay and allowance, *including Queen's pay*, for a period not exceeding six months from the date of embarkation from India, and that of this period an advance for three months may be made in India, I am directed to acquaint you that in respect of Officers who may hereafter be permitted to return to Europe under the circumstances above mentioned, it has been arranged with the Court of Directors that in every instance the Officer shall be furnished by the proper Authorities in India with Certificates, showing—

1st. That the Officer comes to Europe on sick leave, at the recommendation of a Board of Medical Officers.

2nd. The date to which Indian pay or allowance has been issued to him in India, together with the particulars and amount of any advance which may have been made to him in India beyond the date of embarkation.

3rd. *The rate of Indian pay or allowance to which he is entitled.*

These documents are to be delivered to you, and submitted by you to the Military Department at the India House, for the purpose of having it stated on the Certificate No. 2, referred to above, for what period Indian pay or allowance may continue to be issued to the Officer concerned, and likewise at what rate *per rupee* the amount is to be calculated in British money.

The payments which may be made under these instructions are to be included in your Accounts rendered to this Department for services payable by the East India Company under the head of Pay, &c., for Commissioned Officers, annexing in support thereof the several Certificates before mentioned.

I am further to acquaint you, that as regards any Officer having a claim to the benefit conferred by the said Regulations, who has already returned from or who may quit India before the arrangement herein mentioned can take effect in that country, the amount of Indian pay or allowance which may be issued to him will be certified by the Military Department of the India House upon your application thereto, and that such Certificate is to be annexed in support of the charge in your Accounts accordingly.

You are clearly to understand that as Indian pay and allowances include *Queen's pay*, no separate issue under the latter head should be made for the period to which the former is applicable.

I am,

Your obedient Servant,

B. HAWES.
